Potatoes, Po-FRIDAY'S NOON NEWS, WASHINGTON. ABOUT CUSTOM RECEIPTS - IN-TERNAL REVENUE BU-REAU-THE CHIEF

JUSTICESRIP. Washington, January 9.—The receipts from customs are so variable as to afford no data at present on which to base hopeful calculations concerning the future. It is, however, supposed at the Treasury that in about ten days the receipts will be more.

We are informed that the Commissioner of Internal Revenue is much encouraged by the receipts of his Bureau so far for this month. They are three millions dollars, and the presence is that they will soon be restored to prospect is that they will soon be restored to what they were before the late panic, thus fulfilling his calculation of a hundred millions annually.

The Power of the Press.

The day has passed for sensible men t sneer at the power of the press. An illus tration of that power is seen in the utter defeat of the will of the President of the United States himself, in the withdrawal of the man Williams. . The telegraph now reports the nomination of a truly great man, Caleb Cushing. Thus the press shows itself the first power in the land.

The Latest and Greatest Outrage.

Whoever thinks that we have already seen the most diabolical phase of reconstruction may have an opportunity of dispelling his illusion by a study of affairs in the Lone Star State. The developed facts are these: At the election in December, Governor J dl. which is to be completed in 160,00) wo umes. It was begun 100 years ago, and 78 710 volumes have been published. This accounts for the late emigri-defeated by about 50,000 votes out of about 150,000 cast in the State. In the Senate there are only five Radicals out of there are only five Radicals out of thirty members, and in the House only ten out of ninety. Dr. Tutt's Pills are composed of many in-redixts. Proceedings to the second of the control of t purifying the purify while the other is strengthen and the system. Thus these Pills are at the same time a tonic and a catherite, a desideratum long sought for by medical men, but never before discovered. In other words, they do the work of two medicanes and do it much better than any two we know of for they remove nothing from the system but impurities so that while they purge they also strengthen, and hence they cause no debility and are followed by no reaction.

By This is Pills have a wonderful infigures on the bleef. They are only a purify with the strength.
